INDEX TO VOLUME II., 1937

REFERENCES AND ABBREVIATIONS

Readers in search of a given subject will find it useful to bear in mind that the references are in several cases distributed under two or more separate but nearly synonymous headings. Institutions and Corporations with the right to the prefix Royal will be found under that prefix, with the exception of Hospitals, which will be found under that heading; and Medical Societies, which are separately indexed under Societies. All Universities are indexed under the word University. (A) = Annotation, (C) = Correspondence, (LA) = Leading Article, (ML) = Medico-legal, (NI) = New Inventions, (O) = Obituary, (PI) = Parliamentary Intelligence, (R) = Review, and (PCP) = Panel and Contract Practice.

A Concordance of page numbers and dates of issue will be found on page xxiv
